Dear Mr Wilson

I just wanted to let you know that it has been an absolute pleasure to watch the children going past our house, doing their cycling proficiency training this week. We both work from home in Shirewell Road, and seeing the children go past, not only brightened our day and brought a smile to our faces, we also wanted you to convey to the children how wonderful we think it is, that they have taken this responsible step of learning how to ride their bikes on today's busy roads properly, whilst also wearing the much needed protection of a helmet. They are to be congratulated. Kind Regards, Mr & Mrs Parkinson

## The Anthony Nolan Bone Marrow Trust

Are you over 18 and under 40 years of age? The Anthony Nolan Bone Marrow Trust needs more potential donors. Most of us know someone affected by leukaemia and this is an easy way of improving people's chances of survival. These days all volunteers have to do to register is provide a saliva sample and their details are stored in the event of someone with leukaemia providing a match. Most people won't even ever have to donate marrow (you stay on the register until 60) but if you do you may well prove a life saver.

To register ring 0303 3030303 or visit [www.AnthonyNolan.org](http://www.AnthonyNolan.org)

Children in Need

Orrell Holgate will be supporting this year's Children in Need day on Friday 19<sup>th</sup> November

The Children in Need mission is to make a positive change to the lives of disadvantaged children and young people across the UK. Our vision is a society where each and every child and young person is supported to realise their potential. **Where does the money go?** BBC Children in Need gives grants to organisations in the UK working with children who have mental, physical or sensory disabilities; behavioural or psychological disorders; are living in poverty or situations of deprivation; or suffering through distress, abuse or neglect. The size and scale of The BBC Children in Need Appeal means that we're able to give grants to hundreds of different organisations, some of which are very small and don't have the resources to fundraise for themselves. **How much money did BBC Children in Need 2009 raise?** The 2009 BBC Children in Need Appeal raised a record breaking £39 million thanks to the generosity of supporters here in the UK.
