## Children in Need - Do Something Different

20<sup>th</sup> November 2009

Last year, Pudsey was delighted with the efforts from around the UK that made it the best Appeal yet! Despite the difficult economic climate, they managed to raise an amazing £37 million all thanks to the great efforts of the fantastic British public! This is already starting to **make a difference** to disadvantaged children and young people across the UK.

BBC Children in Needs principal objective is to raise funds and distribute those funds in support of their mission to make a positive change to the lives of disadvantaged children and young people across the UK. In raising and distributing funds they also wish to raise awareness of the issues faced by disadvantaged children and young people at a local level.

Orrell Holgate will be having a non-uniform day to support the Children in Need Appeal. All donations (£1 or more) on the day will go towards the Children in Need total.

## Anti-Bullying Week 16-20 November 2009

This Year the theme is 'Cyber bullying'

### Cyber bullying is:

Cyber bullying is when someone uses technology, like the internet or a mobile phone, to deliberately hurt, humiliate, harass, intimidate or threaten someone else. The most important thing to remember is that you should never ignore cyber bullying. Report it, flag it, and talk to someone about it. That's what Cyber Mentors is here for.

**Cyber Mentors** If you are being bullied and cyber bullied you can get help right now from other young people! Just log on to [CyberMentors.org.uk](http://CyberMentors.org.uk) and start talking. There are also counsellors available too if you'd like to talk to an adult in confidence.
