Let's Start Cycling - National Cycle Training Standard

Next week the Year 6 pupils have an opportunity to take part in National Cycle Training.

The course is delivered by Cycle Experience www.CycleExperience.com. Cycle Experience Instructors are all accredited to the national standard, CRB checked and first aid trained. They are selected for their maturity, professionalism and their ability to relate effectively to clients, school staff, their colleagues and not least a wide range of trainees. Regular assessment and feedback is supplemented by coaching and mentoring to ensure that they consistently deliver quality training.

There will be four instructors from Cycle Experience supporting Year 6 throughout the cycle training.

Each child taking part will receive a National Cycle Training Standard Workbook and a Cycling DVD. Each child will be continually assessed during the course. **A cycle helmet is compulsory for the course and must meet the approved standard. The bicycle used on the course must be the right size and in roadworthy condition.**

Good luck Year 6 and let's hope we have dry weather!

Parental Consultation Evening 16th September

Thank you to everyone who came along on Thursday evening. The Consultation Evening for EYFS Reception and Year 6 is 23rd September

Eco Schools & Safeguarding News

On Monday 20th September members of the Wigan Council Eco Team will be delivering an assembly to cover the healthy & safety issues of dog fouling and to provide the children with information and advice.

Can I take this opportunity remind all parents, family members and carers that **dogs** (except for guide and special assistance dogs), in the interests of child and visitor safety, **should not be brought onto the school site.**
