2010 PSFA Summer Fair

Please remember that the 2010 PSFA Summer Fair will be on Saturday 26.06.10 from 12.00 noon to 3.00 p.m. Please do come along to support this important fundraising event as the money raised is used in a variety of ways to help improve the life chances and experiences of all the children.

Wigan Council Family Service Directory

The family service directory is an easy-to-use, online directory of services for children, young people aged 0-19 (up to 24 years for those with additional needs) and their families.

The **family service directory** enables you to access information 24 hours a day about the range of services available in the Wigan Borough, whether you're looking for somewhere to go, something to do or someone to listen. The directory includes information on: leisure activities, family support, children's centres, education (including special educational needs), health services and other specialist services. Information for parents and carers on local organisations and services including:

- Parenting support
- Health services
- Leisure and family activities
- Support for disabled children
- Education and learning
- Children's centres
- Work and training

The family service directory replaces Help4me, the children's service directory.

How to access:

The family service directory is available via the internet so you can access it at home or free from your local library or Sure Start Children's Centre. All you have to do is go to www.wiganfis.org.uk and you're well on your way to finding what you want.

For more information:

If you would like to add your service to the **family service directory** or need help using the website, please use the contact details below
