# Together Everyone Achieves More

## Wigan Life – One Wigan

### Children Young People and Families Partnership (Children's Trust)

Welcome to the Children, Young People and Families Partnership. The Partnership oversees the Children's Trust arrangements for the Wigan Borough. <http://www.wiganlife.com/Partnerships/ChildrenYoungFamilies>

**Children Young People and Families Partnership** is one of the 4 Thematic Delivery Partnerships within the Local Strategic Partnership for Wigan Borough.

The Partnership has specific responsibility to deliver:-

Outcome 4 of the 2008-2011 Local Area Agreement (LAA) which is also laid out in the Children & Young People's Plan (CYPP) 2008-2011 developed by Wigan Councils Children & Young People's Services department.

**Outcome 4** - Improved aspirations, attainment and life chances for children and young people (especially those in most disadvantaged communities)

The partnership will be working to address the following priorities:

- Reduce teenage pregnancy and improve access to sexual health services
- Enhancing children and young people's well-being with a particular focus on obesity, alcohol abuse and emotional resilience
- Safeguard children and young people through improved prevention, early intervention and community engagement. The Wigan Safeguarding Children Board (WSCB) oversees all aspects of safeguarding for children.
- Improve outcomes for Children in Care
- Narrow the attainment gap between our most disadvantaged communities and the population as a whole

For independent inspections of services to children and young people in Wigan, visit the Ofsted website.
